

Community Garden Training Programme

This small group, hands-on programme has been designed for people volunteering at, or who would like to start, a community garden space.

The programme begins:
Thursday, September 1st, from 10.30 - 12.30
for 6 weeks at a venue (to be confirmed),
in Aberdeen.

The course is FREE to attendees
thanks to funding from the Asda Foundation.

Topics covered include:

- How to start a community garden
- Garden Design
- Soil and compost
- Germinating and propagating
- Planting and tending
- Harvesting and eating

Places are limited.
